

Welcome to The NoMa Flea! We are pleased that you are participating as a vendor at our market.

Hours and Setup Info:

The market will run from 6pm-9pm on Friday nights. Setup begins at 3pm and sellers are required to be fully setup by 5:30pm. You may pull up to our front or back loading spaces to unload your booth setup and inventory. Spaces will be designated by NoMa Warehouse and you will find your name on your space at arrival. After unloading you can move your car to a dedicated parking spot off of North Main St. We ask that all sellers remain at the market until 9pm and not pack up to leave early. All sellers are asked to clean their spaces before leaving, taking all unsold items. Please break down any boxes you wish to throw away and place all trash in the green dumpster located behind NoMa Warehouse.

Safety:

Safety is a priority at NoMa Warehouse. We will do our best to protect the health of our staff, our sellers, and our guests. We ask that everyone attending wear a mask at all times and practice safe distancing. We will ensure quality airflow within the warehouse, space seller booths, and provide ample walking and shopping space for guests, as well as provide hand sanitizing stations. Please feel free to bring hand sanitizer for your booths as well.

Space and Fees:

Standard seller spaces are 8x6 and include a table and 1 chair. If you have your own tables or setup furniture, you are welcome to bring those! Please let us know in advance what you plan to bring for your booth setup. We want to create a unique, fun shopping experience. We want all booths to be aesthetically pleasing to shoppers to draw people in. We are willing to offer input to help make your booth stand out! Standard booth fees are \$25 with the exception of special holiday market events! If you need additional space, you can purchase multiple spaces. If you need access to electricity, you must let us know at the time of reservation. We cannot guarantee a space with electricity, but will do our best to accommodate all requests.

Marketing:

We will advertise each market via social media, our website, and printed flyers. If you are attending, please share the event info from your webpage and social media. If you wish to share the flyers, please let us know so we can send that info to you.

Retail Licensing and Tax Info:

You are required to follow all tax reporting laws as required by the state of South Carolina for any/all items sold at any NoMa Flea event. More info can be found here:

<https://scbos.sc.gov/Pages/salestax.aspx> Tax reporting is the responsibility of each individual seller.

Payment and Refunds:

Payment is due at the time of the confirmed booth reservation. Because space is limited at The NoMa Flea, we cannot refund booth rental payments. Also, there is no sub-leasing or loaning your space to another seller. NoMa Warehouse works to ensure quality and diversity of sellers at each flea and will maintain control over all booth rentals.
